

## **Action Taken report on feedback**

### **Teaching/Clinical:**

Principal, ACN has addressed the teachers in faculty meeting to improve the teaching skills in the class. She insisted different teaching methods such as group discussions, panel discussions and demonstration methods. She emphasized on use of board along with presentations. She instructed to use more AV aids to make concept more clearly to students. In Clinicals teacher should be supervised the students give demonstration and teachers are also taking bed side teachings.

### **Library:**

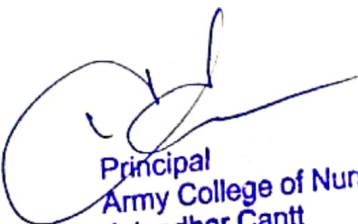

Nursing recruitment information is given to the students by the employment newspaper. Students use library hours according to their library classes, in lunch/tea break all the general books are issued to the student according to their demand. Every year we update all the latest edition books in college and hostel library. Maximum time limit of due date of books is increased from 7 days to 10 days. College is providing the facility of newspaper in college and hostel library daily.

### **Lab:**

Lab is weekly maintained. Available articles in the lab are sent to condemnation and for repair on regular basis. There should be increased utilization of laboratory; OSCE is planned in the form of regular practical classes due to pandemic. More articles should be there in the lab. Community bags are replaced from old to new on March 12, 2021.

### **Computer Lab:**

Internet Connectivity has been improved from 20 Mbps to 100 Mbps. Separate printer has been installed for the students in hostel library. No money has been charged for using internet in computer lab. Timing for students work has been increased by 2 Hours in working days.

### Placements/Alumni:

All the students are placed in Multispecialty hospital. The package is well appreciated. According to INC one year experience is mandatory for teaching. No college authorities forces the student to join the hospital, it is student's Choice to join the hospital, according to their convenience. Organizing alumni in a formal way is in process. Alumni are already invited on college functions to share their experiences and motivate other students. It is in practice held due to pandemic

### Hostel:

The balcony kept open after constructing grills fencing. In hostel, broken items are kept for condemnation. In case of loss in student's hostel room property fine is charged by 50% of the total amount. Relaxation in hostel gate entry by students is given to the them by 10 pm. Neem trees were planted in lieu of environmental day on June 7, 2021. New books have been added on regular basis and also the newspapers. Each student has different reading habit, so no timing can be fixed.

Principal, ACN had intimated to the teachers in faculty meeting that no interference of teachers in hostel for privacy of students. There is no time limit for gym, library, TV room hostel. Steamer is provided to hostel incharge for the treatment of cough and cold. Phone usage granted for 24 hours. Same rules for teachers cannot be implemented as the purpose of stay is different for teachers.
